

West Ridge Veterinary Practice has the following professional staff vacancies:

- Mixed farm / small animal junior veterinary surgeon with some experience and able to work with minimal supervision in this 15 vet rural mixed practice. Approximately 70% farm work (cattle and sheep) and 30% small animal.
- New graduate Intern – to work under supervision in our established intern programme in farm and small animal departments. If you have some experience already, you may be able to join the intern programme directly in to phase 2.

Full job descriptions are available just let us know which job interests you

We are willing to consider short or longer term locums if the right permanent candidates are not immediately available.
